Class Program

1. **HAIR STYLE.** Different Face shape and personality; Professional needs creates different hair style.
2. **COLOR CLASS.** The first reaction is color. The color class will provide for instruction for basic color, and teach all the fundamentals about personal color.
3. **MAKE UP CLASS.** This class will teach knowledge, technique, and atmosphere. The face is like a canvas. Use technique to show your contour, shadow and shape.
4. **DRESS TECHNIQUE.** Understanding yourself; your body type; the proportion and bone structure, and understanding your life background; your professional strengths and limits; your economic limits and strengths. Understanding the clothing; the line, shape, color, fabric, pattern, and proportion. Let you and your clothing combine to each other, perfecting.
5. **SHOPPING TRIP.** The students are taught shopping strategy; when to shop, where and how and how much, along with "why".

"You got me at Hello"

The way you look

The way you speak

The way you present yourself
